TOPIC: LOVE. EFFECTS OF AFFECTION.

For this edition of DOCfield Festival we set out to reflect on love, not its purely romantic expression, but love as an excuse to explore the relations and origins of the bonds between individuals and communities. That's why the topic for the Dummy Award Fundació Banc Sabadell will be this one: Love. Effects of affection.

Photographic Social Vision Foundation, in collaboration with Fundació Banc Sabadell Foundation invites you to participate in the fifth edition of its photobook dummy award. The DOCfield Dummy Award Banc Sabadell is organized in the framework of the DOCfield Documentary Festival, making Barcelona a centre of documentary photography and photojournalism for one month.
